A Little About Me

I am excited to be a part of the St. John's Preschool Family! I have been married for 20 years and I have 3 children - Nick (15), Jack (10) and Emily (8). When I am not at the preschool, you will most likely find me on a soccer field, with a Starbucks Chai Latte in hand! I am an avid reader and I love to curl up with a good book and a hot cup of tea. I received my Masters in Education from Rosemont College and am certified in Elementary Education. My classroom experience ranges from teaching in the 2's, all the way up to 6th grade. I am an advocate for early childhood education - I believe it is essential in developing the language, cognitive, and social skills children need to succeed in school and in life- while fostering a lifelong love of learning. I look forward to working with your children and nurturing their growth as they play, learn and discover with us!

A Little About Me

My name is Adrienne Landis and I am a Boyertown native. My husband and I live right in Gilbertsville where we are raising our four daughters ages 17, 15, 6 and 4. We are active members at Trinity Church in Boyertown where we serve monthly in the Children's Ministry. I also volunteer and work closely with a group of teenage girls there. I have been in the early childhood education field on and off for the past 17 years. During this time, I have taken extensive courses both online and in the classroom to keep current with my education. Teaching children at this age is truly my calling and a great passion for me.

Welcome to Preschool!

A Little About Me

Hello, my name is Ebie Cadwallader and I look forward to the opportunity to be a part of the amazing program here at St. John's Preschool. I have two wonderful daughters, ages 13 and 6. My family and I are members of St. John's Evangelical Lutheran Church and I am a member of my local MOMs Club, where I served as a board member. Additionally, I am an active volunteer in the Boyertown School District and previously taught horseback riding lessons to students of all ages.

My youngest daughter attended St. John's Preschool and had a wonderful experience in her classrooms. I hope that I can give your child the same happy and fun experience mine had.

A Little About Me

I've been married for 10 years to my husband, Chris, and we have 2 beautiful daughters, Peyton (7) and Riley (4). I've worked with children ranging from infant to school age for 20 years. I have a theater degree and I love applying that in the classroom, whether it's using different voices in a story, singing or doing pretend play. I'm very involved in the community. I'm a member of the Boyertown Junior Women's Club and my local MOMs Club, where I served on the board. I also volunteer every chance I get... with the Brownie troop, at my girl's schools or at fundraising events. I'm so excited to be in a preschool again, especially at St. John's.
